The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
1036 Longworth HOB  
Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding in fiscal year 2024 for the City of Aurora replacement of lead service lines. The entity to receive funding for this project is the City of Aurora located at 44 E. Downer Place, Aurora, IL 60507.

The funding will be used for the replacement of all remaining lead water service lines within the City's system. The project is an appropriate use of taxpayer funds because it will provide safe potable water, reduce the cost of water for constituents and comply with Illinois law.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Bill Foster  
Member of Congress
